

We Want You!

# VAPO

## The Parent Organization of Valley Academy

School support is one of the commitments parents make when choosing to register their child at Valley Academy. The Parent/Student Handbook requires a minimum of 3 hours per month or 27 hours per year per family. Every effort has been made to provide service opportunities that accommodate busy family schedules. Each hour spent volunteering enhances your child's educational experience at Valley Academy and helps the school in its federal grant standing. We need talents like yours!

Please indicate which of the following volunteer opportunities are of interest as you seek to fulfill your monthly commitment, and fill out one form per family. Remember to sign in at the front office, fill out a "Parent Volunteer Voucher," or log your hours on the Valley Academy website to get credit for your volunteer time.

### Athletics

- Field Day - helping with games 1x per year
- Turkey Trot - helping with races 1x per year
